PROFILE

Bordeaux-based video game creator with over 20 years in the industry, including more than 10 years as a freelance Senior Creative Director / Art Director for international studios (Ubisoft, Team17, Frost Giant Studios, The Arcade Crew…). Trained at Motion Twin (2005–2014), a worker cooperative and indie game studio based in Bordeaux.

Now founder of Pur Beurre Studio, leading his first full production cycle as Game Director on the “Raiot” project: creative vision, cross-disciplinary team direction, end-to-end production.

EXPERIENCE

Founder & Game Director *Ongoing*

Pur Beurre Studio — “Raiot” project

- Founded and lead an independent studio and an original project end-to-end
- Managing a cross-disciplinary team (art, design, tech)
